THE CCCA

The CCCA is a national body that was established in the late 1970s to address the need for unification among several of the largest cat control bodies in Australia. The CCCA Inc. now has affiliates in most states that support the national uniformity of policies for the conduct of shows, training and appointment of judges, registration of cats, definition of classes, and the awarding of championships. This standardisation allows exhibitors and breeders to show cats within all states & territories in Australia.

JUDGES PROFILES

GARY VEACH (CFA USA)

Gary Veach has been a CFA All breed judge since 1988. Starting out in Michigan and then in 2000, relocating to New Jersey. In the past he has served four years as a Director at Large for the CFA Board. He has service of more than 25 years in the CFA clerking program and currently holds a Master Clerk Instructor license.

Along with his partner, Omar Gonzalez, with the cattery names of Briar-Mar and Veach, they have produced 22 CFA National winners in the Breeds of Persian, Oriental Shorthairs, American Shorthairs and most recently Manx. Gary and his partner bred and shown GC BW NW Briar-Mar Good to Be Me a red classic tabby/white Manx male to Best Cat for the 2015/2016 show season and followed up that achievement with Best Kitten with GC NW Briar-Mar's Absolutely Fabulous, a calico Manx in 2016/2017. In addition to the previously mentioned breeds, they have produced many regional winners in the breeds of Cornish Rex, American Wirehairs and Siamese. In addition, they have produced several Distinguished Merit Award winners most notably GC RW Briar-Mar's Goldeneye of Veach who the first Distinguished Merit male American Wirehair was and still the highest producing Wirehair male. GC NW Candirand's Lasting Impression of Briar-Mar a Black Persian male who had sired over 23 grand champions, five of which went on to become CFA National Winners themselves.

Gary is a member of several CFA clubs and has served as co-show manager of the prestigious Garden State Cat Club shows several times. He has judged in many countries including Australia, New Zealand, Mexico, Canada, Russia, Ukraine, Finland, Sweden, Austria, Germany, Spain, Italy Malta, Japan, Malaysia, China, Belgium and the Netherlands. He has guest judged for FIFE, Rolandus, WCF, CCA. He has judged many of CFA's most prestigious shows like the CFA International show and CFA's breed showcase show held at Madison Square Gardens in New York City. He has been the Best of the Best judge many times at both of these highly attended shows.

In addition to the Cat Fancy, Gary and his partner have bred and shown dogs. Starting out producing numerous Champion Pekingese and now breeding and showing Toy Poodles. They have produced numerous Best in Show, Group Winners and specialty winning dogs.

MARILEE GRISWOLD (CFA USA)

My journey to become a cat judge started with a love of cats at a child. My first pedigreed cat, a Scottish Fold, I obtained in 1994. I also bred British shorthair for 10 years. Since my first cat, I've had over 100 litters and still breed, considering

myself a consummate breeder. I started exhibiting in 1996. My cats were with me throughout medical school from 1994-1998, through residency 1998-2002 and through my active-duty career in the United States Navy from 1998-2006. I remain a practicing physician to this day. About 15 years ago, I gained experience with many other breeds in preparation for the judging program to include Birmans, Turkish Angora, Maine Coons, Persians, Exotics, Abyssinian, Cornish Rex, Russian Blue and Orientals. I have now been a judge for the Cat Fanciers Association for 10 years and spend all my weekends traveling all over the world to judge beautiful cats. With my medical background, I give talks on DNA testing and diseases noted in all cat breeds. I have also become a specialist of the Scottish fold breed, publishing a peer reviewed scientific paper in 2021 in a well-respected journal. I present Masterclasses on Scottish folds and British shorthair all around the world, hoping to increase the health and quality of cats produced worldwide. I also donate my time to the cat fancy by my work on CFA CoVid regulatory committee and the CFA judging program, helping to create judges for the future. It will be my honor to handle your cats.

TOSHIHIKO TSUCHIYA (CFA JAPAN)

He was breeding American Shorthairs for 20 years and is breeding Persians and Exotics with Mihoko now.

He became a CFA All breed Judge in the shortest possible time in Japan.

MIHOKO TSUCHIYA (CFA JAPAN)

She has been breeding Silver Persians for over 30 years and makes over 50 CFA grand champions. She is the most famous cat groomer in Japan, her YouTube Channel is very successful.

Now she is a one of youngest

CFA judge in Japan.

CHERYLE ST CLAIRE-NEWMAN (NZCF)

My involvement with the cat fancy started for me when I attended an All-Breeds cat show in the late 1960's. This was the beginning of my interest in the Persian breed. In 1976 I applied for my Prefix under the name of 'Taniver' which is a combination of letters from my first two breeding cats. (Tihi Silver

Denver Blue male and Tihi Taniwha a cream female). I have only had a very small, selective breeding cattery, mainly breeding pure Persian lines which I still do today. Exotics have been tried but preferred the preparation and perfection of grooming a Persian to show standards. I have bred and showed many Persians over the years achieving high awards including NZCF(Inc) Top Entire Cat, Top kitten and Top N/S. In 1986 I attained my longhair judging license and progressed to longhair tutor judge in 1997. My time and involvement spent training and mentoring new judges has been very rewarding and a great experience.

After 22 years of employment marketing and accounting for the shipping/transport industry my husband decided we would purchase a lifestyle block of land, as we both enjoyed the outdoors, plus I could have a boarding cattery and work from home. This allowed me to further my interest in animals to show and breed miniature horses. After the earthquakes we decided to sell the farm, this gave me the opportunity to continue my judges training to have more involvement as an All-Breeds judge which is now complete. My achievement now as an All-Breeds judge is to give a fair and true assessment of the standard required for each breed, plus carry this out in a professional manner. I thoroughly enjoy judging and love seeing the many different breeds on the show bench.

DIANE HOLTOM (NZCF)

From a young age I have had a passion for animals of all shapes and sizes. As a young adult I bred and showed German Shepherds until the children came along and dominated my time with things like BMX and other sports. I am now a mother of 4 children and grandmother of 9 delightful grandchildren.

I purchased my first Birman in 2003 and started breeding under my prefix "Belzicatz". I live in New Plymouth with my husband Geoff and my lovely fur babies. I have recently added a Sphynx Neuter to my household which has been very entertaining.

Since I started breeding, I have also been very involved in the "Cat World" and have been the Treasurer of Taranaki Cat Club and also The Sacred Temple Cat Club for many years now and have also been show secretary/manager for many shows. I have been given the honour of Life Membership for both of these clubs. I have also served for a period of time on the NZ Cat Fancy Executive Council.

This led me to start my judging career in 2010 and I am now a Senior All Breeds Judge for NZ Cat Fancy. I have judged for many clubs in New Zealand and also in Australia.

MAUREEN NORBERRY (NSWCFA)

I became involved with cats and the Cat Fancy about 35 years ago with the gift of a seal point Siamese kitten who became the mother of my first show kitten – a blue point Siamese. Since that first show I have been actively involved with the Cat Fancy as an exhibitor, breeder

(chiefly Orientals and Siamese but also, Devon Rex) and worker – being regularly involved in the running of shows and assisting on the executive of a number of Clubs I am a Life Member of the St George District Cat Club and the Oriental Cat Club of NSW and NSW Cat Fanciers Association. Although I no longer breed, for the last 15 years I have had the pleasure of sharing my home with the wonderful Norwegian Forrest cat

I was until recently, Senior Vice President of NSW CFA, chair of the Judges/breeds and education/compliance subcommittees and an active member of the Management Committee and recently finished co-ordinating a Longhair Judges Training Course. Until recently I was a member of the breed committee of the Co-ordinating Cat Council of Australia. I have taken a break from these positions. I commenced judging with Group 2 (1996), followed by Group 3 (1998) and in 2005 I completed my Group 1 training and became a fully licensed All Breeds judge in January 2007. I am also All breeds tutor judge. I have immensely enjoyed judging in the ACT and all states of Australia, regularly in the North and South Islands of New Zealand and more recently in China.

Away from Cat Fancy I am a solicitor. In my rare moments of spare time, I enjoy sourcing art deco and retro furniture, gardening, bushwalking and reading.

Orivet

NIKKI JAMES (NSWCFA)

I come from a family of cat lovers and have grown up always with a cat on my lap. I developed a love for the elegant and talkative Siamese and as a teenager I was given a Red Point male, Conan who I started to show with the RAS Cat Control in 1989. He sired

a few litters with our seal point female Serena, and our Seal Lynx point female under my mother's prefix 'Eronel'.

I returned to the cat fancy in 2005 after I fell in love with a beautiful blue point female as a member of the NSW CFA. I started my breeding journey with her in late 2005 when she had a wonderful litter of 6 kittens from an Oriental stud under my prefix 'Zoel'. And so began my love of the Oriental breed!

I kept a black spotted tabby female, Tabitha from my first litter, and continued my breeding program with her. My mother kept a lovely Black Oriental neuter from my first litter, Romeo, and continued to attend shows with me over the years showing him and later exhibiting some other beautiful show neuters she spoilt over the years. Unfortunately, she passed away in 2013 and I miss attending shows with her.

I have been breeding Siamese and Orientals for 17 years and remain active in the cat fancy as an exhibitor. I recently resigned from NSW CFA committee, after serving for 3 years. However, I am currently a long serving member of the Oriental Cat Club of NSW and sit on the board as club treasurer. I have a small cattery on Sydney's Northern Beaches, and breed my kittens for health, temperament and to improve show quality. I currently have 5 breeding girls and recently imported a Red spotted bicolor Oriental stud from Norway, Love Actually, to bring genetic diversity to my lines and the 'modern' European type. I am proud to have received many Top 5 Cat of the Year awards and had the honour of showing and breeding cats who have been awarded Supreme Exhibits in Show in both Australia and New Zealand.

I commenced working at shows as a steward in 2007 and attained my Shorthair Judges license in 2015. I plan to complete my Gr 1 Longhair Judges course in early 2023, to qualify as an All Breeds Judge. I consider myself privileged to admire, handle and judge the show exhibits. I am grateful to have had the opportunity to judge interstate which has enabled me to develop many new friendships and meet many new felines!

When not attending cat shows, I work as a midwife at the Northern Beaches Hospital. I am a mother to 5

children and have a grandson, Chase. I have 2 boys left living at home, Arian and Zahn who love having our cats as part of our family.

GREG LITTLE (CCCTAS)

I started in the cat fancy in 1980 when I bought a chocolate oriental for my wife. We bred Siamese and Orientals for about 5 years.

For our 10th wedding anniversary my wife bought me an Abyssinian and we

showed and bred Abys under the Devaraja prefix for 25 years.

I have also owned a Japanese Bobtail and bred and shown Norwegian Forest Cats.

I completed my Group 3 judging licence in 1995 with FCCV.

In 2001 we moved to Hobart in Tasmania.

In 2005 I completed my Group 1 judging licence with CAT Inc and became an All-Breeds judge in 2008 following completion of my Group 2 licence.

I am currently licenced as an All-Breeds judge with CCCT.

I have been privileged to have judged in all States and Territories in Australia as well as several times in New Zealand and Malaysia.

KEITH HARDING (CQI)

Keith began breeding approx. 25 years ago with his late wife Linda, firstly with Colourpoints before moving onto Tabbies, Bi-Colours & Vans, particularly in the chocolate range with much success.

Keith accepted the invitation offered to undergo his Group 1

Judge's training which he completed in 2010. Since then, he has judged in New South Wales, Victoria, New Zealand & of course Queensland. His most prestigious assignment to date was judging at the CCCA National 2014.

In 2012 they imported their first American Shorthairs into Australia & began breeding the Black Silver Classic Tabbies with huge success.

Keith enjoys handling the many beautiful exhibits he assesses during the shows he judges at and enjoys meeting & forming friendships with exhibitors across the country.

LE-ANN SMITH (CQI)

Even as a child Leanne had a soft spot for cats. There was a steady stream of arrivals at her parents' house (much to their dismay) as she would catch strays, quieten them down and rehome them. She believes that all animals have the right to be loved and feel safe. She is an advocate for keeping animals indoors where they are safe from dogs, cars, traps and diseases which can be present in other cats.

In her early days Leanne bred Himalayan's. This was back in the day when they wore longer noses. As time moved on, she began to breed Burmese.

However due to changes in family circumstances she had now ceased breeding.

Leanne loves domestic cats. Whether they are short or long haired. She likes to see them being loved and cared for properly. They need to be well groomed (including ears and free of flea dirt), attention to oral care taken and show evidence of well-balanced diet. It is also great if they know how to play. Not all animals had a predisposition for this, but it is nice to see when they are.
